

Busch Photos Does not do package pricing. Instead we offer a

CUSTOM ESTIMATE PHOTO PLAN to fit your specific needs.

This ensures no hidden costs, package add-ons or forgotten photos.

Wedding packages offer you a flat rate for a specific number of photos, locations, time, mileage etc. More times than not, they do not get you exactly what you are looking for with regards to your wedding photos. In order to accomplish that, you may need to add additional options. Others(not Busch Photos)have wedding packages **add-ons that** could add an additional **\$800-\$1500** to the original price.

Dave (himself) has done over 800 wedding in the past 28 years and is dedicated to capturing the essence of your wedding day. By using unique suggestions and numerous ideas personalized for your wedding, you and your family are able to enjoy your special day to the fullest.

Are you working with a very strict budget? – Tell Dave how much you have to spend –

He will work out a wedding plan to fit your budget.

Dear_____

We would like to take this time to say congratulations and thank you for considering us to be a part of your special day. Enclosed is the 4-page bridal information package we talked about during our conversation. Please take 35-40 min to look this over and fill out. It is important that both bride & groom have reviewed these pages and know what each other want for photos.

Please fill out the Wedding Questionnaire (pg3), Bride & Groom Family Checklist (pg4&5) and the Traditional Checklist (pg6) as completely as possible. On the checklist please check if you just think that you may want them (this gives us an idea of what you may be looking at). Only answer the questions you know, we will discuss the rest during our appointment. Please use black or blue ink when filling out these forms. Photocopy and mail originals of these 4 pages. It is important for you to keep a copy should anything need to be discussed via phone; you will be able to see what we are looking at. Do not fax this back to us, it may be very hard to read your information.

In order for your custom estimate to be completed in a timely manner, the 4 checklist pages should be returned to us by_____. (If you receive this letter past our requested reply date, you must e-mail or call us ASAP!) There are only 52 weekends in the year and they fill up very quickly. Dave turned down over 100 weddings last year; we work on a first come first serve basis. Once paperwork is received, Dave can complete your custom estimate.

We strongly encourage you to meet with Dave in person, but will work with you via phone if necessary.

WE SUGGEST A MINIMUM OF 2 WEDDING PACKAGE PRICES FROM AT LEAST 2 DIFFERENT PHOTOGRAPHERS BEFORE AN APPOINTMENT CAN BE MADE FOR YOUR CUSTOM ESTIMATE. THIS WILL HELP WHEN YOU SPEAK WITH DAVE, TO BE BETTER INFORMED REGARDING OTHERS PRICING PRACTICES AND THEIR POSSIBLE HIDDEN COSTS

Again, congratulations and we look forward to sharing your joy on your special day with you!

LOVE SONGS SUNG BY GUESTS

(Bride & Groom have a message for you!)
We won't respond to the clinking glass cue.
If you wish to see the two of us Kiss,
You must do something a little amiss:
Instead of tapping your glass with a spoon,
Think of a song with "LOVE" in the tune.
You or your group should stand and sing,
A song about love is what we require.
So don't be shy, just give it a try,
And our kisses you will inspire.

DISPOSABLE CAMERAS ON TABLES

Once in a lifetime comes a night like tonight,
The laughter, the music, the happiness is bright,
The Bride & Groom are happy you've come,
You're a part of the memories & part of the fun.
However . . .
The photographer just can't be everywhere,
So we're asking each guest to do their fair share.
Please pick up a camera and just flash away,
Help catch every laugh of this memorable day.
Keep taking pictures 'till no film is left,
Then leave the camera on your table . . .
(and we'll do the rest!)
